

## Demon IV: Darkness Rules (Demon Series) (Volume 4)

A break in the Haunt incursions worries the Demon Inc crew. Since invading the Haunt dimension, no sign of the dreaded monsters shows up on their early warning system. Demon also discovers Mike's been hiding new powers from a Haunt wound suffered during their invasion of the Haunt dimension. Mike gained strength, and mind control to the point he can make others hear Demon. Hilarity ensues as the sarcastic Demon teams with his paranormal pal, converted Haunt Mongo George, to turn the Demon Inc headquarters and crew inside out. Danger returns as the teens uncover a Haunt plot with changed tactics. Their dimension, imploding due to Demon Inc's last assault, forces the monsters into drawing evil spirits on earth into their human dimension takeover. Demon munches Bad Caspers as the crew calls the evil spirits just as easily as he does Haunts. Teamed with an amped up Mike Rawlins and the Demon Inc teens, the Haunts find out what hell on earth really means
