

His Mate- Brothers- Zeke and Jeff (Lycan Romance)

This book is not a continuation of Cody and Dales story but can be read as a standalone book in its own right with all new characters. There will be a follow up; Duncan, but this story is self contained and no further purchase is required for a conclusion to Zeke and Jeff. Zeke knew it was a bad day the moment he met his mate. Kit was everything he was sure he didnt want in a mate, and whats more, she didnt want him either. Jeff on the other hand was full steam ahead. His mate wasnt shy about her feelings towards the Mating Pull and he had no intension of letting her get away. But with two Brothers having two Fae to woo, what could possibly go wrong? Perhaps the little known family curse that nobody had ever told them about. The clock was ticking and time was running out
