

## Taking the Plunge (Spirals)

Readers of all ages will be motivated by this popular series of stories and plays featuring plots which are suitable for teenagers and adults. A sense of accomplishment will be achieved as the short chapters enable readers to progress easily through the books. Pupils ability to read is improve through the clear and well-spaced type and controlled language level. The Spirals series presents the message that reading is for enjoyment as the books do not include any activities for analysis.
