

## The Red King (The Jabberwocky Book 1)

There is nothing deadlier than a little girls dreams. Alice Liddell had adventures in Wonderland many years ago. Now she is grown-up, married and living a respectable life in Edwardian London. But her dreams have come back to haunt her. A serial killer stalks the streets. Children and adults are being brutally murdered and drained of blood. The Red King is on a quest for revenge against the seven-year-old girl who humiliated him years ago. Alice joins forces with Dorothy Gale, who had adventures of her own in a land called Oz. Together they hunt the Red King before he can enslave the world. But Alice discovers that the Red Kings rampage may be all her own fault fighting her own dreams isnt easy. The Red King is the first of Alices adventures concerning the mysterious Jabberwocky Book she discovered in Looking-Glass Land, a book that holds the key to the survival of four linked worlds.
