

Time to Say Bye-Bye

A perfect picture book for toddlers on the go! All toddlers live by the pleasure principle. For them, fun times always end too soon. So often they either turn a deaf ear to the words Its time to say bye-bye or simply throw a tantrum. What is the solution? In this warm-hearted picture book, Maryann Cocca-Leffler follows a toddler from morning to bedtime, showing that all saying goodbye really means is that youre ready to say hello to the next fun thing on your agenda. With a bare minimum of words, and playful artwork, this is one of those rare read-alouds perfect for very young children.
