

## Twenty Boy Summer

Dont worry, Anna. Ill tell her, okay? Just let me think about the best way to do it.Okay.Promise me? Promise you wont say anything?Dont worry. I laughed. Its our secret, right?According to her best friend Frankie, twenty days in Zanzibar Bay is the perfect opportunity to have a summer fling, and if they meet one boy ever day, theres a pretty good chance Anna will find her first summer romance. Anna lightheartedly agrees to the game, but theres something she hasnt told Frankie---shes already had that kind of romance, and it was with Frankies older brother, Matt, just before his tragic death one year ago.Beautifully written and emotionally honest, this is a debut novel that explores what it truly means to love someone and what it means to grieve, and ultimately, how to make the most of every single moment this world has to offer.
