

Relic (The Dean Curse Chronicles Book 2)

Fourteen-year-old Dean Curse is still having horrifying visions of people in grave danger visions that leave him a single day to save their lives. So far, hes considered a few broken bones and a standing appointment in group therapy to be a small sacrifice compared to the good hes done. While learning more about the mysterious society that gave him the gift, Dean has a vision that leads him to believe a monk is going to rob a museumif hes right, the robbery will go very badly. But he cant get the police to believe him. In fact, the authorities think Dean is at the root of all the trouble. Dean and his friends decide the only way to save a few lives is to take matters into their own hands, even if it means breaking a few laws. They have 24 hours to decide if the ends really do justify the means.
