

In My Kitchen: An Essential Collection of New Vegetarian Recipes

A collection of 100 of Deborah Madisons favorite and most adaptable vegetarian recipes, reflecting how she loves to cook now. From the countrys foremost authority on vegetarian cooking and one of the most trusted voices in home cooking, comes a vegetable-forward cookbook focused on the most inspired and flexible recipes from Deborah Madisons vast repertoire, with menu suggestions and extensive tips for modifications and enhancements. Recipes like Baked Ricotta Infused with Thyme; Shredded Radicchio Salad with Garlicky Vinaigrette; Rice Gratin with Zucchini, Onions, and Cheese; and Steamed Persimmon Pudding with Persimmon Puree are appropriate for both weeknight dinners and special occasions. Also featuring Deborahs writerly, evocative prose, this is as much a book for reading as it is a reliable go-to kitchen reference.
