

Into the Hollow (Experiment in Terror)

Perry Palomino has fought her demons - and won - but the battle is far from over. Shes now left broken and on her own, leaving behind her life and family in Portland to focus on giving Dex Foray - and the Experiment in Terror show - a second chance. But their past mistakes continue to tease and test their relationship, as does the wild and desolate terrain of the Canadian Rockies. The snow-covered peaks and ravenous forests hide an urban legend too unbelievably frightening to be true and the only way the duo has a chance of surviving is if Perry can let in the very man who sent her to hell and back.
