

Into the Hollow (Experiment in Terror #6)

Perry Palomino has fought her demons and won but the battle is far from over. Shes now left broken and on her own, leaving behind her life and family in Portland to focus on giving Dex Foray and the Experiment in Terror show a second chance. But their past mistakes continue to tease and test their relationship, as does the wild and desolate terrain of the Canadian Rockies. The snow-covered peaks and ravenous forests hide an urban legend too unbelievably frightening to be true and the only way the duo has a chance of surviving is if Perry can let in the very man who sent her to hell and back.
