

## Into the Light (Lightkeeper Series Book 1)

Nineteen-year-old Willa Devries is no ordinary witch. Born to a sacred race known as the lightkeepers, for centuries her lineage has been charged to carry out their time honored duty of holding the light of the world against the darkness. Willa's twentieth birthday will mark the day when she comes into her full powers, a day she's been anticipating forever. Only the rising darkness has become more powerful than anyone has ever seen, and with her birthday only a week away, Willa begins to question if she's ready to feel the weight of the world on her shoulders. Braeden Mathiesen is a Guardian sworn and trained to protect the keepers of light. His life has been spent preparing for the day when he would be sent to aid Willa in her lightkeeper training. Yet upon his arrival to the sleepy town of Salem, Massachusetts, he quickly realizes he is unprepared for the extent of her incredible power--or for the woman who will steal his heart. The fate of the world lies in Braeden and Willa's ability to push past their feelings and learn to harness her powers, before the dark underworld rises up and covers the world under a blanket of darkness. Failure isn't an option; the world depends on it.
