

## Invisible Journey Book 4: Alex Noziak (Volume 4)

A kidnapped Seer. A rematch with a powerful demon. This time, Alex could lose it all...Modern female covert ops battle the supernatural in the continuing series from USA Today best selling author Mary Buckham. If you haven't read this series, do it now! (Liz Schulte) Alex Noziak knows a bad plan when she sees it, but she's running out of options. When a demon who rules his realm with a bloody fist kidnaps a teenage Seer, the half-witch/half-shaman has no choice but to take action. As she leads two fellow Invisible Recruit agents deep into the Underworld, Alex can't help but think of the last time they faced this demon leader. It didn't end well, and now the odds are much worse. Even at the top of her game, Alex and her team may not make it out of this one alive. Invisible Journey is the fourth book in the Alex Noziak urban fantasy series. If you like strong female heroines, epic action-adventure, suspenseful battles, and an emotional punch to the gut, then you'll love this series. Buy Invisible Journey today to continue the darkly intriguing Alex Noziak series! Interview with the Author Q: What makes the Alex Noziak series special? A: The series is a combination of things. It features a modern female covert team acting as a secret combat squad for the Invisible Recruit Agency, protecting mankind from supernatural threats and enemies. It is part urban fantasy series, part paranormal mystery series, and part supernatural or occult crime series. Think Buffy the Vampire Slayer meets Supernatural with a star-crossed romance thrown in and you've got it in one! Q: Is there a particular order that the books should be read in? A: While each book or novella can stand alone, I think readers will get more enjoyment out of them if they follow this sequence: Invisible Prison (eNovella) Invisible Magic Invisible Duty (eNovella) Invisible Power Invisible

Fate  
Invisible Fears (Kelly McAllister Book 1)  
Invisible Allies (eNovella)  
Invisible Secrets (Kelly McAllister Book 2)  
Invisible Journey

What makes the series different from other urban fantasy series?  
A: First, the events of the story occur on a world scale vs. the single location of many of the other popular UF series. The Alex Noziak stories occur in locations such as Paris, the Maldives, Washington, D.C., and Africa. Secondly, while all of the storylines in the Alex Noziak series include action-oriented fight sequences which readers of this genre love, they also contain a lot of what isn't typical for most urban fantasy--emotional growth and development of the main characters. Alex must deal with the dynamics of a strong female team as well as interference from her shaman father, her shapeshifting brothers and her Celtic witch mother. Relationships are messy, but they also add a fun, deeper dimension to Alex. Third, unlike many other paranormal romance series on the market today, there isn't a primary focus on a happy ever after relationship that's resolved in one book; if you want your heroine hooking up with a hot warlock, you've definitely come to the right place, but expect cliff hanging endings as the relationship is not tied up with a pretty bow after book one. To help readers know what the Alex Noziak books are like, what would you compare them to?  
A: I think the series is well-suited for readers of Patricia Briggs Mercy Thompson series, Kat Richardsons Greywalker series, and Illona Andrews Kate Daniels series. Fans of television shows like Supernatural, Angel, True Blood (without all the graphic sex scenes), and Witchblade should also find something of interest here. A wry sense of humor, deep character connections, and a lot of fun drive the story with Alex Noziak at the helm. If you haven't read this series, do it now!~ Liz Schulte, author of the Guardian Trilogy, The Easy Bake Coven series and the Jinn Trilogy  
I...encourage those of you who like action, magic and sassy heroines to snatch up this series.~ Romancing the Genres
