

## Protector

Anna-Marie has spent almost her whole life in love with the boy across the creek. From the age of five they have been in each others lives, so when Anna-Maries boyfriend, Dylan, dies under mysterious circumstances it drives her into a deep depression. She desperately clings to his memories for solace. After reports come out of a another mysterious death, Anna-Marie climbs her way out of despair as she throws herself into a search for the assailant, who is callously tearing so many lives apart. During Anna-Maries search, she has a chance encounter with a mysterious man who flips her world upside down once again. Alessandro Pierre, the deadly son of the vampire leader of the Brotherhood Order, appears to be just as normal as the next guy, but he is far from it. The further Anna-Marie digs into Dylans death she is plunged into a world she isnt quite prepared for. She gets caught up in a deadly game from her worst nightmares, and eventually learns that it is her own world as well.
