

The Whirlwind in the Thorn Tree (The Outlaw King) (Volume 1)

From award-winning author S. A. Hunt comes a blockbuster fantasy tale inspired by such old-school fantasy classics as Stephen Kings The Dark Tower, C. S. Lewiss Chronicles of Narnia, and Madeleine LEngles A Wrinkle in Time. After coming home from a stint in Afghanistan, veteran Ross Brigham learns that his father has passed away. Dearly departed Dad was a famous fantasy novelist, and the 300 fans that show up for the funeral demand that Ross finish E. R. Brighams long-running magnum opus. Ross and two of the authors devotees investigate his untimely death and discover that he might have been murdered...and the time-bending gunslingers of Dads steampunk novels might be real. As they try to acclimate to the arid deserts of the authors fantasy world, the three damaged heroes become pawns in a war for humanitys survival. The Muses have grown tired of immortality and now incite atrocities on Earth, trying to lure down a leviathan from the stars. Can Ross and his new friends stop the scheming satyrs before both worlds are eaten?
