

## Ingilube

The wonderful adventures of a Young Zulu Warrior. It was early Spring in the year 1827, Shaka King of the Zulus is hunting elephant when news of his mothers death is brought to him by fearful messengers. The Kings wrath is explosive and for a young Zulu boy, his life will change forever. INGILUBE is hastened from his village before the vengeful witchcraft of the Isanusi condemns him to death. Young and terrified, Ingilube makes for the Zululand hills where the aged Magogo, a master at witchcraft, takes him under her care. Ingilube is soon to learn of the wonders of life in Africa and to master the mystical powers Magogo instils within him before he returns to the Kingdom of his people. Ingilube, a powerful warrior, embarks on a quest to find his beloved childhood friend Thandi, exploring nineteenth century Africa in a series of explosive adventures. INGILUBE is a tale of adventure amidst the remarkable and tragic history of the Zulu Nation.
