

Judy Uncensored (The Judy Chronicles Book 1)

Call it a little blue pill epiphany. She may be 50-something, trapped in a dead-end job and worried her get-up-n-go got up and went, but Judy Banger isn't ready to throw in the towel. Too bad her first attempt to re-ignite her sex life winds up with a 911 call. And she knows it's absolutely wrong of her to cry on the shoulder of a sexy carpenter with a Mrs. Robinson fixation, but it's not like she's going to meet the man of her dreams any time soon, right? Especially not in a hotel room where her ill-conceived plans to take control of her life flew out the window the minute a sexy young cop showed up...with a second set of handcuffs. Judge Wilson Wiley Canby embodies the fire and smoldering angst of every romance hero Judy ever imagined all in one perfect package. Too bad Judy's never considered herself romance heroine material. And to make matters worse, their first meeting involves a black lace bustier, fishnet stockings and a whip named Gerald. Judy's doomed...unless, of course, Wiley's ready to explore his naughty side, too.
