

The Crown of Stars (Four for the Future Book 2)

The Crown of Stars continues the story of the four heirs; Rowan, Melody, Coral and Halo. A young angel has been banished to Chaos, the penal colony. Doma, the High God sends the four to find her, but before they begin their search for Dawn, they must hear the stories from the three who went with her on their rite of passage. They travel to Chaos where they encounter the beautiful witch Vivianna. The witch is using the prison to make an army of zombies to take over the universe. Her first stop is Zoes planet Toxia. With the help of the four, Vivianna is defeated. She needs to capture one of the four to bargain for her freedom. With Dawns help the witch finds that the four have the same birthmark. Vivianna almost kills Melody with a drugged dart. Doma loves the witch, but knows he must destroy her before she harms the four. Rowan and Melody and Halo and Coral are falling in love. It is time for their second test a very difficult test.
