

Lady Justice and the Candidate (Lady Justice, Book 9)

Will American politics always be dominated by the two major political parties or are voters longing for an Independent Candidate to challenge the establishment? Everyone thought that the slate of candidates for the Presidential election had been set until Benjamin Franklin Foster came on the scene capturing the hearts of American voters with his message of change and reform. Powerful interests intent on preserving the status quo with their bought-and-paid-for politicians were determined to take Ben Foster out of the race. The Secret Service comes up with a quirky plan to protect the Candidate and strike a blow for Lady Justice. Will there be a new resident in the White House or will it be politics as usual? Join Walt on the campaign trail for an adventure full of mystery, intrigue and laughs!
