

Heart of the Wolf Part Two (Volume 2)

When Prince Edric saved the life of Fade, a Wolf Shifter, he had no idea the events that would follow. Now Fades life is on the line not only for Edric, but for the entire kingdom of Anira. Fade has to decide how far he will go as his strength, spirit, and his love for Princess Kelianna are tested to their limits. Anira hangs in the balance as Fade is forced to choose between aligning himself with the Kaidan warriors who threaten it, or risk losing everything to a peril greater than any imagined.
