

Wormwood Echoes (Rune Alexander) (Volume 6)

After all she's been through, Rune Alexander thinks she can handle anything life may throw at her. But when a mysterious disease begins to destroy the River County Others, she must gear up for trouble unlike any she's ever seen. Trouble that may force her to leave her world for an unfamiliar, hostile place inhabited by a terrifying enemy. A world in which Damascus holds the power. Rune knows if she's pulled into Damascus's world, she may never find her way back. But if she doesn't go, the Others will die. All Others. In book 6 of the Rune Alexander series, Rune must accept the fact that things are about to change. Decisions will be made. Hearts will shatter. People will die. As always, Rune and Shiv Crew will fight like the warriors they are to defeat the evil, stay together, and keep each other alive. But this time, their fight will not be enough.
