

Best Laid Plans (Bloomfield series Book 4)

Welcome to Bloomfield, where life is simple, love is real, and stories are shared. Architect and hometown boy Hal McKenzie is called back to Bloomfield when the mayor needs help figuring out how to expand the city hall and courthouse. That will mean having to move the old Founders Cottage provided by the Caroline Short family. Hal was sweet on Caroline back in high school and knows that moving her family's historical landmark isn't the best way to take another shot at having a love connection. Now he must respect the mayor's wishes while convincing Caroline that he still cares for her. *Best Laid Plans* is a charming romance illustrating how honesty really is the best policy, and God is in control of even the smallest details of our lives.
