

Siege of Night (The Legend Of The Gate Keeper Book 2)

(The Legend of the Gate Keeper #2) I swear...when your heads hang from the walls of Taron, they will stay there for as long as I am queen! When the birds pluck out your eyes, they will remain for all to see! When the flesh rots from your skulls and falls to the ground; when skulls yellowed by age are all that is left for the world to lay eyes upon...they will remain! Her voice returned once again to a dangerous whisper. I promise you both...your memories will live on...forever. This book is intended for mature audiences.
