

Journey of Thieves (Legends of Dimmingwood) (Volume 5)

Upon leaving Dimmingwood, Ilan thinks she has finally escaped the influence of her old enemy, the Praetor. But the secrets of her past catch up to her when she and her friends are trailed across the provinces by a mysterious assassin with a haunting connection to her childhood. Seeking answers about her shadowy origins, she follows her roots to the people who can teach her about her family and her magic. But a personal tragedy soon sets her on a dangerous quest for justice. Along the way, she will have to question everything she thinks she knows, including her new relationship with Terrac. While battling dragons and being stalked by assassins, will Ilan recognize the return of a more insidious presence before it's too late?
