

Crimson Night (Night Series) (Volume 1)

Welcome one and all to Carnival Diabolique- or what I affectionately like to call, the carnival of the damned. My name is Pandora, and though my face might not look familiar to you, you do know me. Im the drug youll do anything to get your hands on. But Im not all bad. I fight for light, for goodness and truth. I love my job, killing vampires and werewolves, zombies, and freaks... its what makes me happy. But people are starting to disappear and lately Ive felt a dark presence lurking around me. I think it might be a death priest and thats really bad. There isnt much a demon like me fears, but I fear them. This should have been easy, me killing the fanged freaks, getting rid of my pesky priest problem, but Im about to be betrayed by the one person I thought I could trust with my life and before the night is through Ill be covered in crimson...
