

## Little Women (Illustrated): Premium Edition

Little Women is a novel by American author Louisa May Alcott (1832-1888), which was originally published in two volumes in 1868 and 1869. Alcott wrote the books rapidly over several months at the request of her publisher. The novel follows the lives of four sisters—Meg, Jo, Beth, and Amy March—detailing their passage from childhood to womanhood, and is loosely based on the author and her three sisters.
