

## Livewire: Classics

To ensure accessibility and readability, Hodder & Stoughton have worked with The Basic Skills Agency on Livewire - a series of reading material with a teenage or adult interest level for those with reading ages below 10 or for adult students learning English as a second or foreign language. It offers teenagers and adults appropriate fiction and non-fiction which is graded at reading ages 6-7, 7-8, 8-9, and 9-10. This section, Livewire Classics, forms part of the series and offers chilling stories full of suspense.
