

Easy Decorating Makeovers: Smart Solutions, Quick Changes, Do-It-Yourself Projects (Better Homes & Gardens)

Bored with your home's interior? Easy Decorating Makeovers can immediately help you see your home in a new light. This book shows you how to revitalize rooms by using what you already own and by making strategic purchases. Simple solutions include arranging a room around a focal point, finding balance by redistributing heavy pieces, pulling furniture into conversation groupings, creating your personal style with accessories, and tapping into the power of paint and fabric. The book features 50 before-and-after rooms and 15 do-it-yourself projects such as slipcovers, bedding, and woodworking. These makeovers are as sensible as they are beautiful—you can make some big-impact transformations in just one hour.
