

Exodus (The Trivallyn Saga Book 4)

With the fate of Trivallyns southern countries decided, both the Chosen and those loyal to the Father God now turn their sights to the north. With Wherry returned to Mithwell rule and Pellarin quickly falling under the leadership of pirate Tynon Mondy, it is the country of Morvay that draws attention from both sides. Continuing to be held by Jostin Mithwell, the Wherrite king, Morvays prince travels from the south to reclaim his lands and challenge those who hold them. Reinforced with a small army of wizards, it is Jians intention to aid him, preparing the force he commands to face the entire Wherrite royal army in a confrontation that will impact all of Trivallyn.
