

Wolfs Cross (Lokis Wolves) (Volume 4)

Fear the reckoning of those you have wronged. Notorious Hunter King Jake Barrett lives his life according to a warrior's creed. His forces are hard-pressed, outnumbered, and outgunned. Malevolent gods threaten his six-year-old son. In desperation, he extends his hand to his ancient friend and foe for help. Valkyrie Victoria Storm follows the path Odin laid out, but each step carries the priestess farther from Freya's favor. She works to unify the werewolf tribes and forge an alliance with the hunters. Trouble brews on the home front. The dominant males in her pack are attacking others' throats. A killer in her territory is skinning wolves; the evidence points to one of Odin's worshippers. Loki hides among mortal men, a shadow of his greater glory. Under the command of the Necromancer, the Trickster's undead army grows ever more powerful. He counts the days until he collects on what he is owed, but he harbors more regret than satisfaction. His wolf children speak his name with derision. Those he seeks to help recoil from him. Justice for the God of Lies means the end of all life. Loki's warnings fall on deaf ears but he knows--Fate shelters the ember that will spark the fire. Reckoning for the day when the world burns. 384 pages, 1st Edition. Urban Fantasy/ Norse & Viking Folklore Standalone novel.
