

## Look for the Good in Each Day

Look for the Good Things that Happen to You Each and Every Day of Your Life! Take the time to enjoy the things that really matter: a beautiful sunset, the laughter of a child. In *Look for the Good in Each Day*, Debi Snyder reminds us that you need to look at, notice, and see the world around you; you need to listen to, enjoy, and keep in your mind the sound of your mothers laugh; you need to smell, breathe in deeply, and hold forever the smell of baking cookies, or a pine-scented forest. The small gifts and simple moments are what make us happy. Be sure to appreciate the simple, yet important, things of life.
