

## Lovers Betrayal: Misfits of the Lore Series

A Vampire Out to Clear Her Sons Name. A Former Lover Bent on Revenge. But Neither is Prepared for What Happens Next...Vampire couple Olivia and Lucian were forced to separate nearly two centuries ago, but now a series of murders has brought them back together. Their task? To investigate whos responsible for the grisly killings. And the prime suspect is none other than Olivias son, Kaden. For Olivia, the reunion brings back all the pain of their shattered love-a love she abandoned to marry another. The decision held fateful consequences for herself and her troubled, warring sons. But her new mission also offers a chance at redemption as she risks everything to prove Kadens innocence-and put back together a fractured family before its too late. Through it all, Olivia faces the seemingly unyielding hate of Lucian, a powerful leader of the Council, the enforcers of all immortals. Hes determined to seek vengeance on Olivia and her son-but can his hatred withstand the love his heart cant deny? The first book of the Misfits of the Lore series, Lovers Betrayal challenges everything you thought you knew about vampires and the paranormal. Savvy, sexy, and full of surprises, Lovers Betrayal will keep you guessing right up until the finale.
