

Unlucky Number Four (The Fortune Cookie Diaries Book 3)

In New Orleans, Louisiana, something with a weird sense of humor is stranding myth in a nonmagical world. Dr. Tiffany Crews and gang find themselves no longer chasing Damn Duck, running into walls or spilling soup. As a matter of fact, no accidents have happened in the last week. It isn't until they find Damn Duck sitting quietly on the balcony, Miracai, the carnivorous unicorn, eating greens without flatulence, and her klutz tendencies missing, Tiffany realizes something is up. Only when her best friend, Janet, begins dating a man named Aiden Murphy, does Tiffany understand - Murphy has been dropped into New Orleans. Not a far stretch of imagination considering the Fairy Godmother identifies him during lunch at Chopstix. All the years of pent up frustration leads the entire gang into trouble as they decide it is time to get revenge, giving Murphy, and those bloody laws of his, a taste of his own medicine. If only it was that simple.
