

Types Of Cannabis: Know The Truth

Cannabis is one of the most controversial topics in politics today. Due to the nature of it, honest and unbiased information can be hard to find. You have the conservatives that criminalize the drug and you have liberals that call it the wonder drug. Its important to know the truth about a drug growing in popularity like this. Its to no ones surprise neither side is 100% correct. Cannabis is one of the safest drugs one can use for medicinal or recreational purposes; however, it does come with consequences of short, mid, and long term use. Its important you know as much as possible so you can make an educated decision on if you want to get it involved in your life. In my book I go over the benefits and consequences of cannabis, how it compares to other drugs, as well as explain different popular strains. Buy my book and know the truth today!
