

The Curvy Girls Baby Club: A chick lit / romantic comedy novella (The Curvy Girls Club Book 2)

Spend time again with the women of The Curvy Girls Club - indulge yourself in the brand-new feel-good novella from the Sunday Times and USA Today bestselling author Michele Gorman. Product Description Life, love and a Christmas due date Ellie is fresh back from her honeymoon and can't wait to share her news with her best friends Katie and Jane. To everyone's surprise, mother-of-two Jane has news of her own. The women are due a day apart, on December 25th and 26th, and Katie can't wait to be an honorary aunt to the babies. But it's hard to keep your sense of humor, not to mention your self-esteem, in the face of hemorrhoids and elasticated waistbands. Add a clingy mother-in-law, a career in cardiac arrest and a sex life that makes Mother Theresa look lusty, and soon their lives are as out of control as their bodies. As the co-founders of The Curvy Girls Club, where loving yourself is the only rule, will the friends be able to practice what they preach? This is a novella of approximately 120 pages in print.
