

Cloud, Stone, Sun, Vine: Poems Selected and New

A beautifully organized collection of a poets works in homage to nature One of the primary themes of May Sartons work, especially in the first few decades of her career as a poet, memoirist, and novelist, is a veneration for and desire to understand nature. This yearning is collected in Cloud, Stone, Sun, Vine, which comprises more than two decades of Sartons impressive output. The anthology marks a turning point in Sartons career as her meditations on being alone become more and more frequent, foreshadowing her famous memoir Journal of a Solitude. Featuring the classic sonnet collection A Divorce of Lovers, Cloud, Stone, Sun, Vine is not to be missed by any Sarton fan.
