

## May the Stars Drip Down

May the stars drip down light on you, And you close your eyes to see the moon, And sleep will pull you through. May the starlight find you. Thus begins the gorgeous lullaby May the Stars Drip Down by indie rock band Cub Country, now adapted into a beautiful bedtime book with illustrations by the acclaimed cut-paper artist Nikki McClure. McClure's tender and intricate images, inspired by nature and the intense bond between parent and child, perfectly complement musician Jeremy Chatelain's soothing lyrics. An audio download of the song is also included. Praise for May the Stars Drip Down: **STARRED REVIEW** A richly imagined dreamscape in a feat of paper artistry. --Kirkus Review, starred review Soft, lovely, and just right for a dreamy bedtime read-aloud. --Booklist **Award: NAPPA Silver Award Winner**
