

## I See You (Oracle Book 2)

Over a year and a half had passed since Jade Godfrey aka the dowser fixed my mothers necklace. Since Id thwarted the vision of the death of love. Since Id made a deal with a devil and acquired a demigod for a mentor. I still didnt understand or control my power, my magic, but it had been a great year. A year of rest. A year of love and light. But now the reprieve was over. Now it was time to see. Magic willed it so. ----- This paranormal romance/urban fantasy is the second book in the Oracle Series by author Meghan Ciana Doidge. **WARNING: ADULT (18+) CONTENT** Authors Note: I See You is the second book in the Oracle series, which is set in the same universe as the Dowser series.
