

# Checkers

Joan and her best friend Alexis always look forward to going outside for recess, but rain keeps them inside for the day. The girls just want to play checkers by themselves...but checkers happens to be Suzs favorite game as well. Suz is the biggest, meanest girl in the school, and she never loses. When she spots Joan and Alexis setting up the board for a game, its sure to be a disaster. Can everyone learn to play nice together?
