

Loose Leaf for Microbiology Fundamentals: A Clinical Approach

Cowan's Microbiology Fundamentals: A Clinical Approach is The Perfect Fit to align with your course. Here's why: The author team includes a practicing nurse to help students see how the content fits in their lives and relates to their future career on every page. A briefer text means all core concepts are covered, but streamlined to better fit the length of your course. A more modern, visual text and digital learning package fits with today's students and the way they learn. Users who purchase Connect Plus receive access to the full online ebook version of the textbook.
