

The Glasswrights Master

The final battle...Rani Trader has fled her homeland, escaping Morenia just as enemy armies invade. Encamped in the southern kingdom of Sarmonia, Rani must make the hardest bargain of her life--negotiating safety for herself, her beloved king, and his heir, even as she struggles to control mystical powers that rise within her. As armies line up for the final battle, Rani must fight to become the master of her fate--and her guild.
