

## Mollys Millions

Hard-up florist Molly Bailey has just won a fortune in the National Lottery. And she wants to get rid of it - fast! Tom Mackenzie is on the verge of losing his job. He needs one hell of a story if he hopes to secure his future in journalism. And his luck may have just come in... With a strong belief that sharing her good fortune is the only way forward, Molly unwittingly becomes the most sought-after person in the country as she distributes her wealth to the masses. With only her terrier pup, Fizz, and her trusty Beetle for company, Molly embarks on the journey of her life. But with Tom hot on her heels, will she succeed before her family and the media catch up with her? And, with Tom leading the pack, would that really be such a bad thing...?
