

The Journal of Vincent Du Maurier II (Book 2)

Blood flows freely in Empress Cixis den but its not everything it appears to be, especially the donors. As guest on her ship, Vincent has a secret to learn, a mystery to solve, and a novice to save. All the while, Evelina must adjust to her awakening, discovering her new gifts, and how to be a fierce competitor, as the ship of vampires proves an unforgiving place.
