

## Mr Right for Kurt and My Other Experiments: British chick lit (Girl Scientist Romcom Book 2)

Mr Right for Kurt & My Other Experiments is a sequel to Mr Right & Mr Wrong. Both books are social satire and light-hearted comedies about a modern, young female scientist. Having found her Prince Charming, Chloe makes herself busy with her other project finding Mr Right for her housemate, Kurt. Things get a little tricky when Chloe discovers a dating app for gay men, Grindr. Hilarity ensues! Meanwhile, spring is claiming London and Chloe is starting her Masters project on bioremediation of soils at the Department of Plant Science, Imperial College, where she meets her new colleagues sassy Zofia and a flirty hipster called Andy who, by the way, has a secret and glamorous alter ego. After a visit by a BBC TV crew to the institute, Chloe becomes a celebrity on Twitter. But glory invites disaster over a cup of tea. Gay matchmaking isn't Chloe's forte, so now what? Parties, gigs and piss-ups continue to be Chloe's life, along with the added bonus of inhumane hours in the lab. Little does she know that the country's top TV show is about to invite her for a chat. Surprises await.
