

## Still Life With Murder (Nell Sweeney Mystery Series) (Volume 1)

What a thoroughly charming book! A beautiful combination of entertaining characters, minute historical research, and a powerful evocation of time and place. NYT bestselling author Barbara Hambly Boston, 1868: The dawn of the Gilded Age, an era of burgeoning commerce and invention, of unimaginable new fortunes and lavish excess for some. Born into poverty, young Nell Sweeney scratches by on her wits and little else until fortune blesses her with a position as nursery governess to the fabulously wealthy Hewitts. But she soon learns that ugly secrets lurk beneath the surface of their gold-plated world. The Hewitts eldest son, William, a former Union Army battle surgeon and the black sheep of the family, was reported to have died years before in a notorious Confederate prison. But one snowy February afternoon, his parents learn that he is, in fact, still alive and in jail for having murdered a man while on opium. Infuriated by his sons deception and convinced of his guilt, August Hewitt forbids his wife from coming to Wills aid, so she begs Nell to help exonerate him. Nell finds that she must delve into the kind of dark and treacherous underworld she thought shed left far behind if she is to unearth the truth before the hangmans noose tightens around William Hewitts throat. Still Life with Murder is a #1 national bestseller originally published by Berkley Prime Crime. 91K words. P.B. Ryan makes a stunning debut with Still Life with Murder, bringing Nineteenth Century Boston alive, from its teeming slums to the mansions on Boston Common, and populating it with a vivid and memorable cast of characters... I couldnt put the book down... I cant wait for the next installment. Bestselling author Victoria Thompson P.B. Ryan captures an authentic flavor of post-Civil War Boston... The atmosphere is that of *The Alienist*, but feisty Irish nursemaid Nell Sweeney is a

more likable protagonist. I look forward to seeing her in action again. New York Times bestselling author Rhys Bowen Still Life with Murder is a skillfully written story of intrigue and murder set during Boston's famous Gilded Age. Nell Sweeney is a winning heroine gifted with common sense, grit, and an underlying poignancy. With its rich sense of place and time and a crisp, intelligent plot, readers will speed through this tale and be clamoring for more. Bestselling author Earlene Fowler Utterly absorbing. Vividly alive characters in a setting so clearly portrayed that one could step right into it. A very clever plot in which each clue is clearly offered and yet the identity of the murderer is a complete surprise. Bestselling author Roberta Gellis If you like fast moving, accurately drawn, historical mysteries, you won't go wrong by trying Still Life with Murder. Reviewing the Evidence This debut mystery is a winner, with a feisty heroine, a colorful historical backdrop and a strong mystery rife with complexities. An ideal blend of history and mystery. RT BookReviews Still Life with Murder is sheer perfection... gripping... powerful... unforgettable... You'll know you've read one hell of a story after you turn the last page!
