

My Ballet Bag

Little ballerinas will do the dance of joy when they open this board book bag that fits perfectly into their hands. In this enchanting story, a little girl can't wait to show her Teddy bear/best friend all of the things she loves about being a ballerina: magical pink ballet shoes, lacy pink ribbons, pretty tutus and more. It's all so much fun that she can't wait to teach Teddy how to dance too! This beautifully illustrated book captures all the excitement and enthusiasm that little girls experience as they dream of becoming ballerinas themselves, and is sure to be taken everywhere they go. Perfect for bedtime, nap time, play time, or any time reading.
