

My Brothers Keeper (Galahads Doom) (Volume 1)

Centuries ago, Saint Galahad came to the world of Lanis, bringing with him the teachings of The Way. Before his death, the great Saint was granted a vision of a cataclysmic future. New to the king's army and relegated to remote border duty, Galen Griffon led a peaceful life until a battle with marauders from the North pulled him onto a path of Destiny. Meanwhile circumstances find his brother, Lucas, on a much darker path, willing to do anything to prove his worth. Ancient foes bide their time as the world moves closer to war. Wizards and demons conspire to control the fate of the kingdoms. Omens herald the days of Galahads Doom and the Church awaits the rise of the Creator's Champion. Torn between duty to king and god, Galen must decide if he will embrace The Way or reject the beliefs of his forefathers. The fate of Lanis, held under the Creator's gaze, hangs in the balance. In his debut novel, David Wright weaves a tale of faith and magic; of temptation and redemption, as Galen must discover who he is in a kingdom on the cusp of war.
