

My Life by Me: A Kids Forever Book

My Life By Me is a personal memory book for terminally ill kids with prompts to help them record and create pages of their life, history, experiences, and memories. It can help children work through questions about their illness and understand thoughts and feelings that may difficult to put into words. This book can be used alone or with parents or caregivers to help recreate and document important events, stories, and people from a child's life. This book allows kids to create their own story of life something beautiful and unique and gives them an opportunity to share this book with their family and friends should they choose.
