

My Travelin Eye

Jenny Sues eyes are not the same as other peoples eyes. Her right eye looks in one direction, while her left eye sometimes wanders. Jenny Sue has a travelin, lazy eye. Although it makes her different, it also helps her see the world in a special way. Here is a charming story about one very inspiring little girl who overcomes her disability and offers inspiration to others. My Travelin Eye is a 2009 Bank Street - Best Childrens Book of the Year.
