

Nancy Werlocks Diary: In a Bind

Marriage counselor Nancy Werlock didn't want to take over the family business. Unfortunately for her fate, and a bunch of conniving but well-meaning spirits, have other plans. Now Nancy finds herself fumbling through exorcisms and training a sexy new apprentice. Because for Werlock women, the family business is demonology. And at the Three Wishes Boutique, the customer may not always be right, but he may very well be possessed. This is Episode Ten of the series and features two short stories (Approx. word count 11,000) Deception: After months of trying to outwit the maneuvers of Lord Advocate Joshua Brynwolf, the powerful psion finally makes his presence known. But what he reveals alters everything Nancy and Houston thought they knew about the strange events in which they have found themselves involved. In A Bind: The granddaughter of a deceased demonologist comes into the shop looking for information on haunted houses and alerts Nancy to the existence of a powerful but obnoxious demon.
