

## Always Look Twice (Silhouette Bombshell)

SHE CAN READ MINDS, BUT CAN SHE SEPARATE TRUTH FROM LIES? Beneath the bright lights of Hollywood, women are being brutally murdered. The Slasher has come to L.A., and psychic Olivia Whirlwind is on the case. Brought in to help because of her ability to see crimes through the victims eyes, Olivia finds herself dealing with a truly disturbing evil. Using her Native American gifts to guide her, she must delve into a dark world veiled in secrets to reveal the ugly truth that nothing and no one are what they seem. And the only way to stop the killing and avoid becoming a victim herself is to look twice even at the face of someone she loves.
